Actives Product Finder for Skin & Hair Care

Finding is believing

Look no further: with our app, BASF's high-performance active ingredients are always right at your fingertips. Here you'll find a comprehensive list of active ingredients, with all the information on consumer benefits, eligibility for eco-labels, applications and active substances.

We wish you great success with this new tool!

Check it out: <https://www.carecreations.basf.com/product-formulations/tools/actives-product-finder>
