

Enabling Choices for I&I with EU Ecolabel

All-purpose Cleaners and Manual Dishwashing Detergents

In I&I and in Institutional Cleaning & Sanitation, in particular, cleaning work is tendered in most cases. Especially if public authorities are responsible for the tender, they increasingly use their purchasing power to choose goods and services awarded with the EU Ecolabel. Generally, participation in the tender is only granted to companies with an Ecolabel product line. As a consequence, the I&I detergent manufacturers offer an increasing number of product lines that are certified with the EU Ecolabel.

Our technical experts have developed several test formulations for I&I all-purpose cleaners, heavy-duty degreasers, floor cleaners, oven and grill cleaners, and manual dishwashing detergents that are in line with EU Ecolabel requirements.

Example manual dishwashing detergent:
